# Impact!

Patrick Henry was represented enthusiastically by all of the people who attended this year. The Patriot has been the mascot for the past twelve years. Celeste Lundy, this year's Patriot, and the Cheer Squads made a spirited impact on everyone involved.

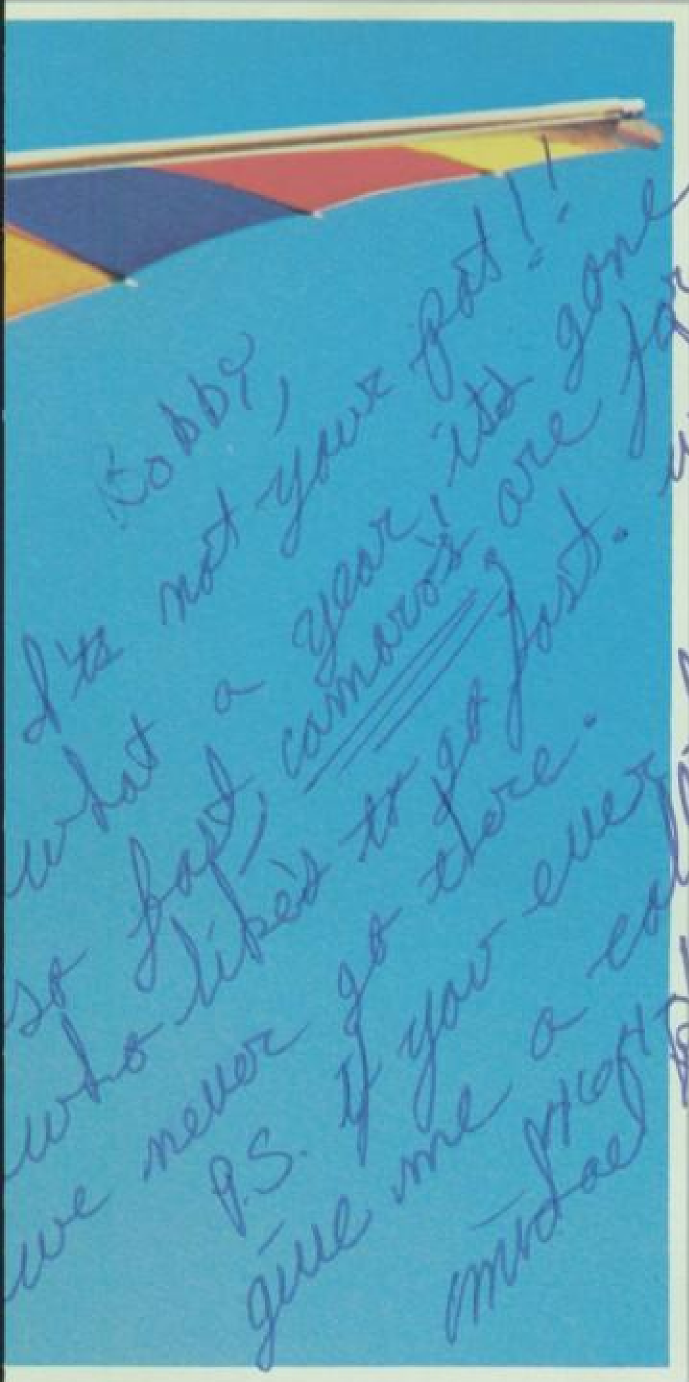

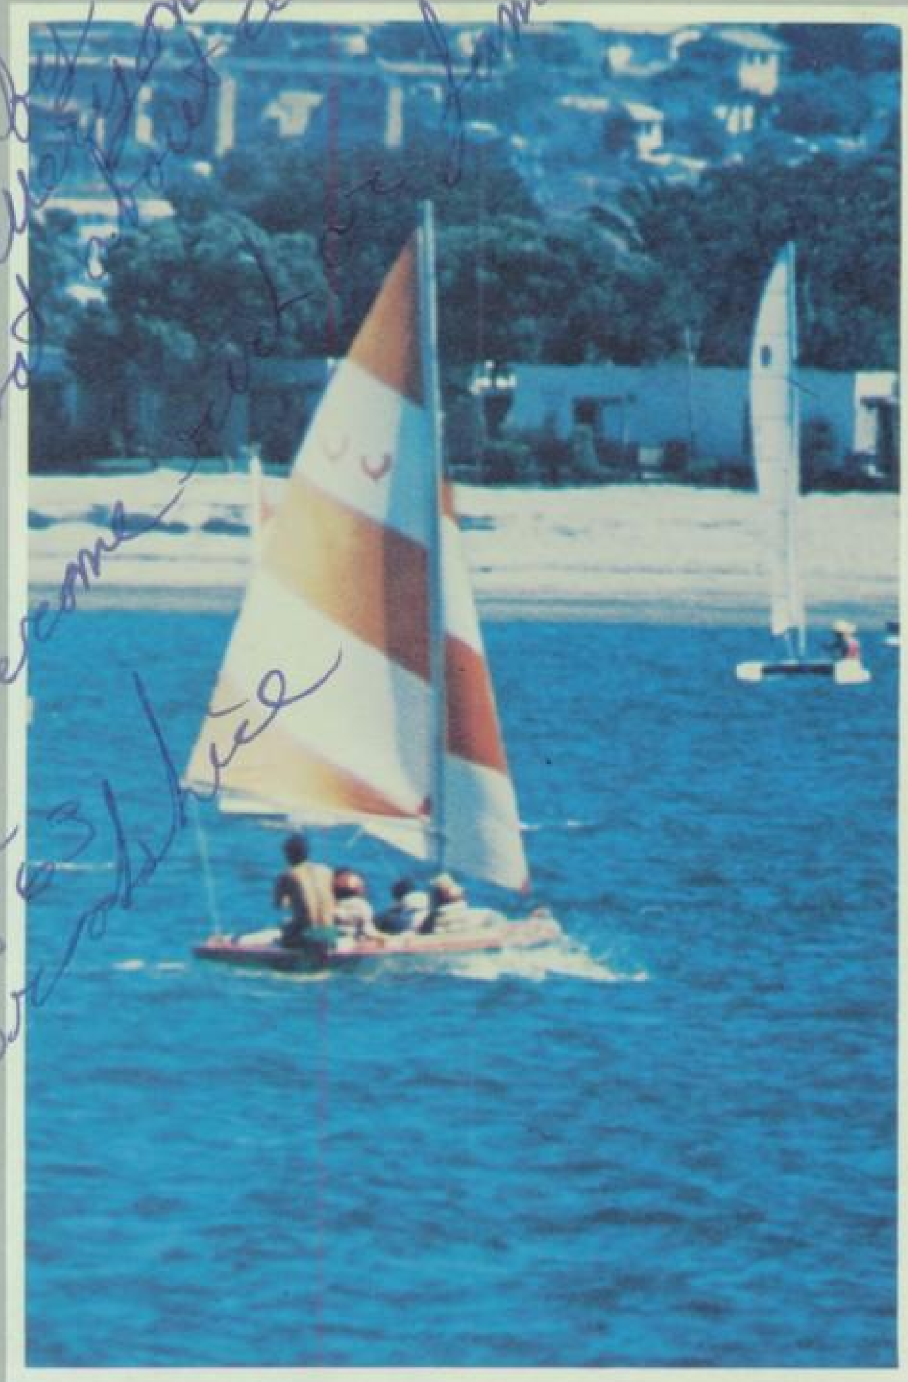

# Moving Experiences

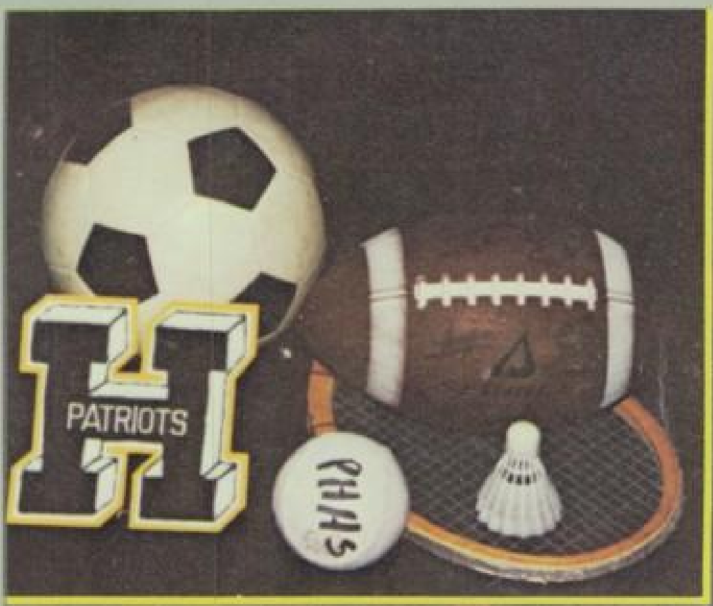

The harnessing of water and air is an event that not many people experience. Witnessing these events causes the imagination to soar in the wonderment of the free spirit. The artists who convey this feeling show the unlimited boundaries of the earth.

*Nell Griffith* and *Barbara Caddy* set the Patriot pace.

Determination and positive power is demonstrated by *Kim Stempien.*

Thanks to Coach Lowry and a team with great ability and potential, PHHS Cross Country is greatly admired. Being on the team has taught the girls the art of competition, how to be a disciplined team member, and to share the positive attitude of the other runners. These have been important in achieving goals not only in the score book, but also in personal growth. The girls' hard work has paid off with a record of 5 wins and no defeats.

Boys Cross Country had a slow beginning, but the hard work of Coach Elmer Runge brought the team to its feet. Undefeated seniors Eric Rutherford and Sean Evans, helped with their individual talents. The late recruitment of senior Greg Heath, gave a boost to the odds, but that wasn't enough. There was much hard work involved. Strong motivation from their coach, helped the boys tighten their times and achieve the scores of 3 wins and 1 defeat.

Led by seniors who have played for the third year Karin Borjeson, Shari Stoll, Wendy Johnson, and Suzie Rimoldi. The girls have done great, taking many trophies at the Serra Invitational and hopefully the CIF Individual Finals.

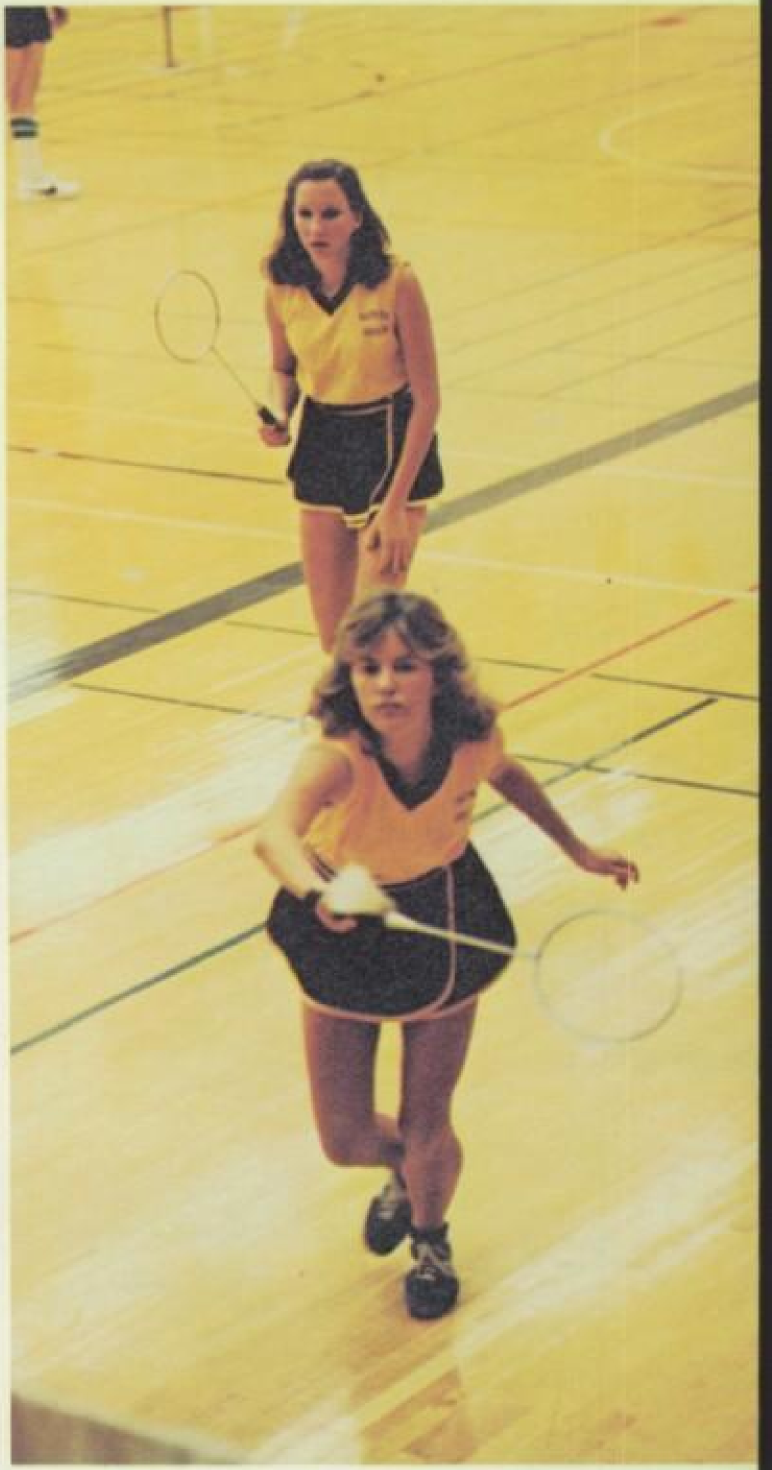

The top three guys are John Gray, John Green and Rick Ingram. The boys have done well, it is their first year playing the sport as a CIF team.

The team would like to thank Coach Hamilton for all her time, great coaching, and her true caring. Thanks.

# Girls Tennis—A Set Above the Rest

The 1979-80 Girls Tennis Team, under the direction of Mrs. Marshall, was led by senior Paula Breight, sophomores Alison Caplan and Connie Lemon, who provided the team with outstanding personal records of 28 wins and no losses. The team itself had a tremendous Eastern League record of 13 wins and 1 loss.

"This year was one of the best we have ever had. Most of our sophomore girls are tournament players, and we are looking forward to another great year," Mrs. Marshall stated excitedly.

The team will miss the graduating seniors, Paula Breight, Vicki Calder, Andrea Carroll, and Doris Hardy, who supported one of the top ranked teams in the Eastern League with knowledge and enthusiasm.

# Offense

The 1979 Patriot offensive squad proved to possess a wide open style of football centered around the passing attack. The offensive linemen were the foundation of our offensive team which helped make Scott McKee the county's leader in passing throughout the season. Our underated rushing attack was led by senior David Kinder and junior power running fullback, Darryl Flaming. The feared passing attack consisted of four top receivers headed by Randy Williams, George Gallagher, Todd Russell, and three time letterman and all CIF performer Ernie Wright. Good luck to next year's offense and may number one be your goal.

Above: Junior Darryl Flaming breezes past opponent.

Below: Quarterback Scott McKee receives instructions from Coach Twombley.

# Defense

On the opposite side of the gridiron, the Patriot defense held down their own fort. Without their togetherness and ability to work with one another the team would have been lost. With seniors Dean Brown, and Scott Porter returning to the defensive field nothing could get by the Patriots. Also with returning linebacker Ernie Wright, to mend the seams, the defense was pretty much the strength of the team. Aiding in the defense were seniors Sean Kelly, Chris Kinsella, Jeff Williams and Bill McColl, along with junior Tony Sharmitaro. Helping to stop the opposing offensives were the almighty defensive linemen. Good luck to next years returning defensive squad.

The 1979 J.V. squad demonstrated an ability to gain control in tough situations. With a good passing arm, Mike Rinehart was able to hit any one of his talented wide receivers. The team was well balanced and could usually pull ahead during the first half. The defense was well rounded and kept opposing offenses in a blind fog. Thanks to the terrific coaching of Coach Baranski and Dave Libbey. Good luck to next years squad.

The Patrick Henry Varsity Basketball Team's depth is the reason we are having such a super season. We have such a good bench that we can sub and not lose our rhythm. Each player has at least one skill he does best. Our opponents can't just concentrate on stopping one player, because someone else will pick up the slack in points. If S. Brown is stopped E. Wright will score, and so on down the line. B. Washington has been a big help this year along with J. Scalf, M. Fazekas, T. Dobyns, M. Peterson, S. Doyle, and B. Webb. At this halfway point in Eastern League play, the #1 rated Pats are tied with Morse for first place at (6,1). At this point we will have a good chance at winning the C.I.F. Championship.

The Jr. Varsity Basketball Team started quickly in 1979, with a string of six straight wins. The victories over Santana and Bonita came in the opening rounds of the Mt. Miguel J.V. Christmas Tourney. After winning second place, the Pats were honored by having Junior Mike Keller named most valuable player. Junior Paul Schofield was also named to the All-Tournament Team. Opening the League Season with a big win over Mira Mesa (63-54), the young Patriots proceeded to win four games in a row. At press time the J.V. record is 12-2 overall, and 6-1 in League play. Several players have contributed to our success. Besides Keller, Schofield, sophomores Gary Williams, Fred Williams, and Kevin Brown have all contributed greatly.

This year's varsity softball team returned to the field with many senior players. Barbara Young led the team with her tremendous offense and her superior defense. Along with other seniors, Gwyn Grippo, Kim Barry, Michele Hall, and Linda Brucker, the team pasted on their many victories. The outstanding talent of Suzie Schuman, a sophomore helped the team to C.I.F. With pitchers Becky Cordle and Lori Neff the team did well. Thanks and good luck to next years team.

The 1979-80 Field Hockey season was one filled with triumphs and disappointments. The team entered the county-wide Serra Tournament for the first time and did very well. The team played united with each player giving 100%. In league play it looks like they'll be going to CIF after ending a super season.

The team was more than just another hockey team. It had two three year varsity players, Alexa Colgrove and Defense Captain Karin Borjeson, a second year varsity player Offensive Captain Mary Gorman and outstanding first year players. Players came from other sports and there were even Cheerleaders. With this combination, how could they miss.

The Patriot Hockey-Jockies would especially like to thank their coaches Toni Wood and Kathy Wigdahl and all of the faithful spectators.

The 1980 Varsity Soccer Team Players make up a skilled, powerful, and experienced team. Much of this year's experience has been acquired from last year's team. Five starting players, as well as six others from the '79 team are back to capture the glory in '80. The team is well-balanced at every position. Behind the goal scoring of forwards Younes Foroozin, Mahe Nabizadeh, and Brad Baughan, halfbacks Steve Clancy, Ralph Gagliani, and Eric Bernd control the mid-field. The aggressive defense of Dan Lundgren, Alan Karsh, Scott Skinner, Bruce Ellis, and Joe Stagg in goal, rounds out the starting squad. Strong back-up players also give the team continuity. Midway through the regular season the Pat's have six wins while being dealt one loss and tie. Now in second, the team hopes to capture Eastern League and C.I.F. E.,Bernd.

The 1980 Girls Gymnastic Team is off to a fantastic start this season in hopes of being Eastern League Champions. Talent is well balanced throughout the squad although there are very few returning Seniors their experience adds great depth and strength to the team. Coaches Rotsheck and Peterson feel the girls have the drive and ability to participate in the CIF championship meet. There will be a great number of Jrs. returning to the squad next year which shall promise also to be a rewarding season for the young performers.

The 1980 Varsity Baseball Team is planning a winning season with the help of a strong pitching staff; J. Poolos, B. Webb, D. Patag, and All League hopefuls M. Fazekas, and T. Katomski. As the Pats continue to work as a unit, they will be watching out for tough contenders such as Madison. The Patriots began the season with a victory over Helix (4,3). With the aid of strong hitters the Pats hope to be like no other team. With starting players such as; J. Labbate, W. LaRoque, S. McKee, T. Weikel, P. Sullivan, J. Johnson, B. Kelleman, and All League hopeful C. Cannizzaro, the Patriots look forward to winning the Lions Tournament, and the Eastern League.

The 1980 Junior Varsity baseball team promises to have an explosive hitting attack, fine pitching and a good defense. The team should be a serious contender for the Eastern League title. The club started the season off with victories over Valhalla and Grossmont. Pacing the hitting attack this year are J. King, M. Rinehart, S. Deluca, V. Evans, and S. Summers. M. Ashwell leads the pitchers including J. Dalton, K. Barry, and G. Dunne. M. Hines, J. Floyd and A. Brown help shore up the team. In Eastern League play the J.V. Pats expect the most challenge from Madison and Clairmont. Based on early games the J.V. seems headed for an outstanding year in 1980.

# Girls Jump For Two

After leading the boy's basketball team to the 3A title, Coach Fritz Ziegenfuss aimed for a repeat performance with the girls. The Patriot girl's basketball team was favored in both the City East and the CIF playoffs. This was partially attributed to Junior Kirsten Cummings and Seniors Sheila Dick and Lori Peak. Also contributing were returning Seniors Barb Young, Barb Caddy and Mary Gorman.

Yea, of course I won! *Tom Brecht*

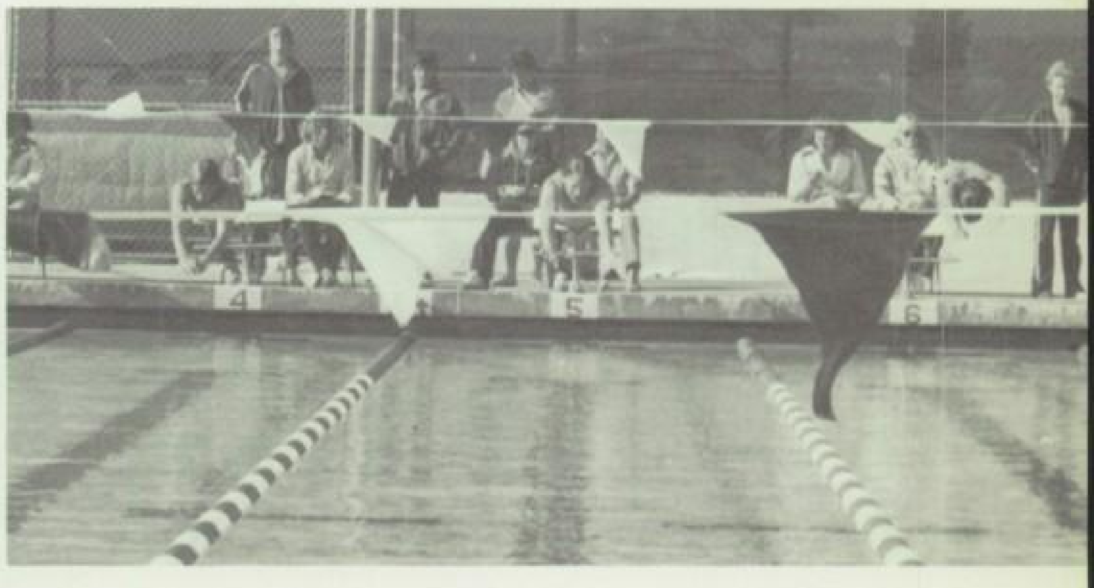

The Patrick Henry boy's Swim Team have started out with another great team, coached by Barry Owen. The team also added new coaches along with new swimmers, some of which came from the girl's swim team.

The swimmers have done great so far in competition. Being led by Senior Tom Brecht. The rest of the team has been doing good and hopes to have a super finishing kick.

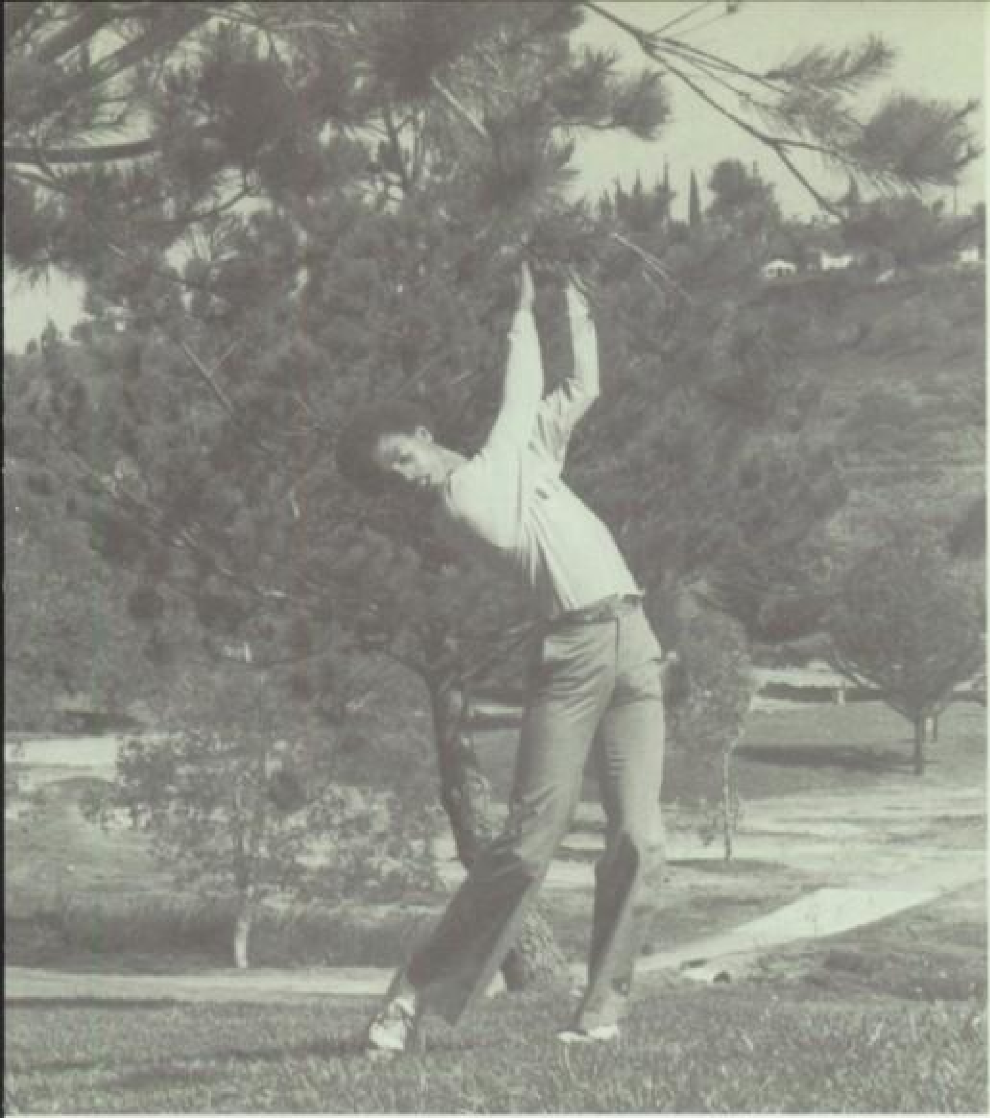

The 1980 Golf Team did well this year considering that they had only one returning varsity player, Bob Daniels. Joined by junior Ricky Kirk the team hoped to do even better as the season progressed. The team picked up a good sophomore, Ron Cantor, and with the other players improving steadily, the Golf Team was looking for a winning season.

Lower middle: Senior *Greg Mason* ponders over what goes next.

The 1980 Girl's Track and Field team added more than their share to the records. Taking the Tiger Relays by surprise, the Patriots walked away with a first place berth and many medals. A tough attack is what the girls have. With seniors Lisa Gross and Kim Stempien, and junior Kim Kaderli, the long distance problems are all tied up. Sprinter Alma Jones and Sophomore Teresa Doherty were a big help in putting pressure on many other teams. Hurdler Lynn Weston, a senior, has attacked many hurdles and made many personal records to help the team. Thanks to our coaches, CIF here we come!

This year's Boy's Track team started off very well. With a 4-0 standing the Patriots need to keep a perfect score to take CIF. With milers and two-milers, seniors Sean Evans, Greg Heath and Eric Rutherford, the Patriots expect a 3-A title. Patriots are also standouts in the sprint and relay sections of the track. The Patriot relay team with three seniors and one junior has taken every meet relay. Hurdler Victor Cesena adds to the Patriot attack. A surprise 330 hurdler, George Gallagher also shows much potential. Thanks to our coaches and good luck to next year's team.

Senior Class Officers 1979-1980.
George Sarantinos, Marie Gubitosi, Dena Russo, and Lori Hopkins.

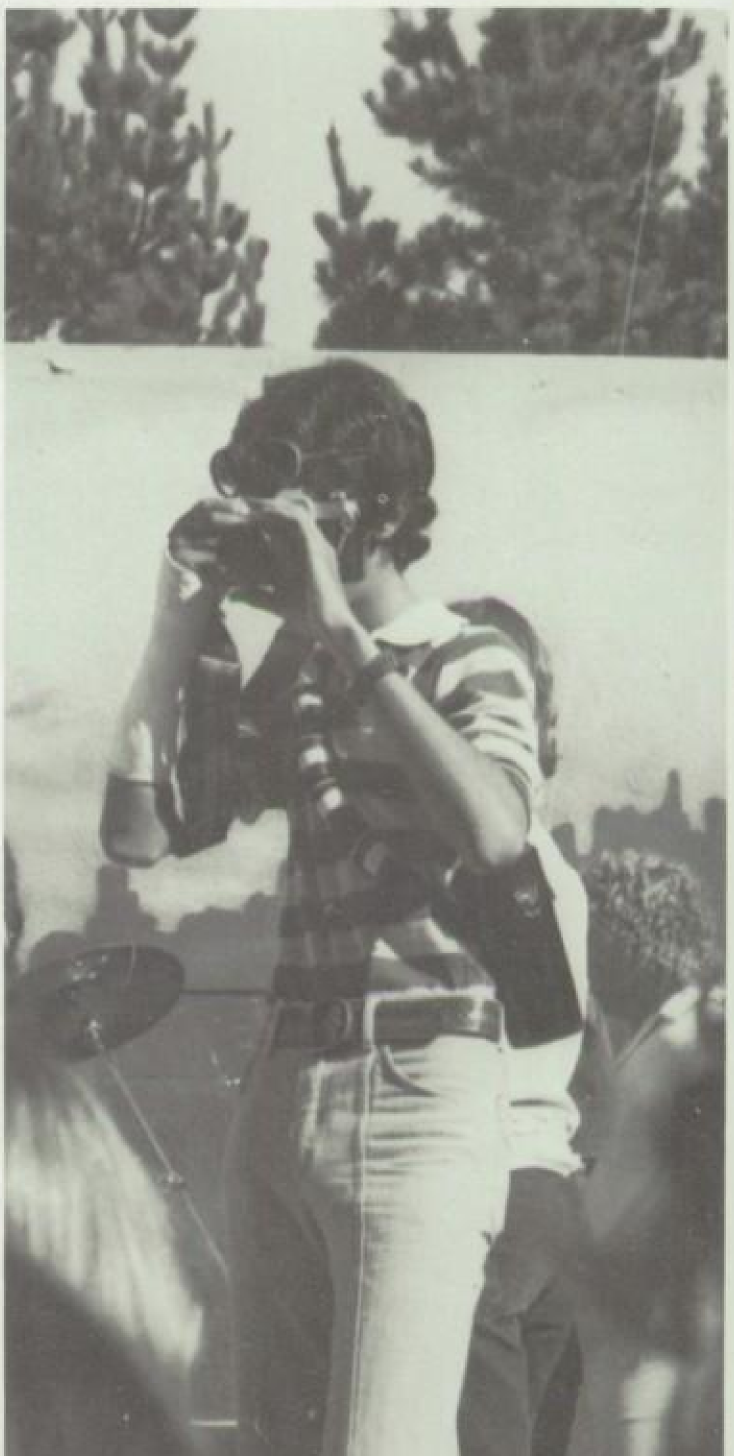

The class of 1980 has many unique qualities. Not only are they the first graduating class of the decade, but they are first in school spirit and participation. They had a good start as Sophomores when they came in first in the year's class competition. They continued this spirit as Seniors by participating in dress-up days, competitions, and school activities as enthusiastic leaders for the Juniors and Sophomores to follow. Not only is the Class of 1980 full of spirit, but they also led other classes in scholastic achievements with 14 valedictorians. This year's interscholastic teams also showed their winning abilities. The Class of 1980 is ready for the world, but is the world ready for the spirit, perseverance, and hard work of this graduating class? Lets keep these qualities to improve our world. Good Luck in everything you do and remember, the Class of '80 is the Class with CLASS!

1979-80 proved to be the most spirited and activity filled year for the class of '80. Participation soared as Seniors proved who's #1! No activity went unrepresented by the Senior class and in many cases 1st place was the ultimate goal. Dress-up days always added something out of the ordinary to the everyday fashions. Everyone from the Jolly Green Giant and Li'l Sprout to Sylvester and Tweety appeared. Float building proved to be just as fun as years past with many hours put into the class of '80's best float yet! Spirit also soared for the Seniors as many Seniors showed up for rallies and games to shout out which class and school is the best!

"4.00 GPA" doesn't mean much to the majority of Seniors, but to these Seniors, 4.00 represents 3 years of hard work, hard work which has rewarded them with the best they can receive: All A's. What's unique about this group of scholars, though, is that they are achievers in more areas than scholastics. The valedictorians of the class of 1980 are active in many activites throughout the school ranging from Athletics to Music, including Soccer, Football, Dance Production, Band, ASB, Drama, Art, CSF, etc. Each Valedictorian is representative of a variety of different organizations, each of which adds an important difference to the function of the school and Senior class.

This year's annual Winter Dance at the Al Bahr Shrine was transformed into a "Winter Wonderland." The band Lightnin' once again gave a dynamic performance. The festivities were sponsored by the Girls League, headed by Pat Gallanis. The theme and original decorations set off this unforgettable occasion.

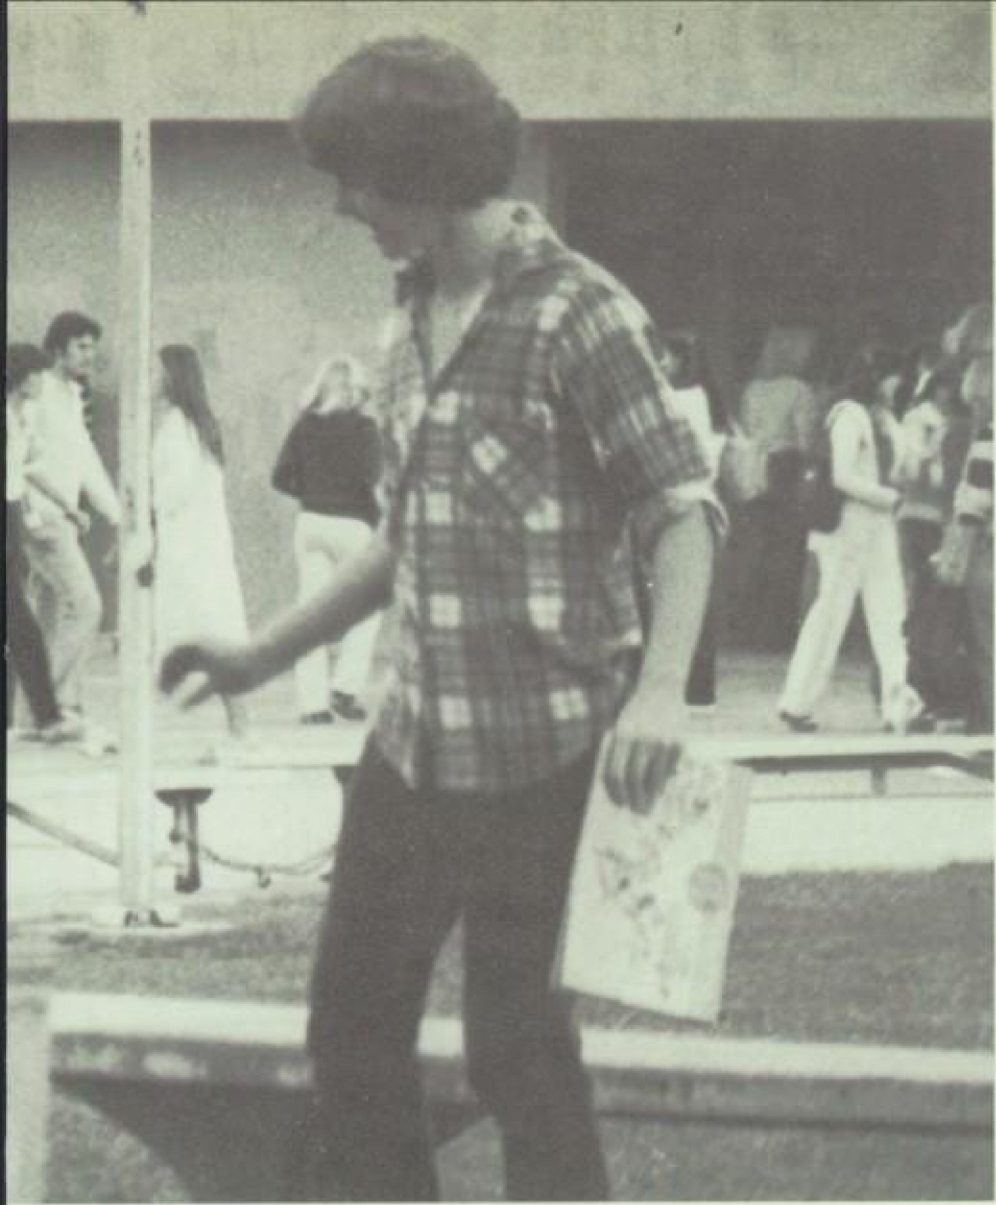

# Operation Pride

Operation Pride, as the name suggests, encouraged students to take more pride in the appearance of the Patrick Henry campus. Principal Frank Thorton was especially pleased with the success of the program; and the A.S.B. sponsored events to keep the quad free of litter. A photographic identification contest was held in which two students' pictures were placed in Henry's Happenings. The students identified as the mystery persons won five dollar gift certificates to Pat's Place. Trash cans throughout the quad were painted with various designs depicting the Operation Pride theme. Operation Pride was a great success due to the student and faculty's willingness to participate and enthusiasm.

This year, the Band Variety show was entitled "That's Entertainment." On January 17, 18, 19 the Patrick Henry auditorium was overflowing with an enthusiastic audience awaiting a performance. The spectacular talents displayed in the show both stupified and amazed the audience. We were subjected to "Wild Flowers," instrumentals, dancers and many unique acts. All in all, the band variety show was a great success for both the audience and the performers.

The Doctor Dean show was a smashing success again this year. As the lights dimmed, heads were lulled into a deep slumber. The audience was captivated by Dr. Dean's techniques. The crowd roared with laughter as the subjects performed various acts ranging from swatting chickens off their noses to singing and dancing. Dr. Dean's feats of hypnotism were overwhelmingly appreciated by the enthusiastic audience.

The Drama Production of 1979-1980 brought entertainment of all types to its audiences. From the sensitive play of *David and Lisa* to the comical anecdotes of Neil Simon's *The Good Doctor*. The entire cast and crew spent many hours of hard work which was shown in the magnificent and realistic characters they portrayed. All of these productions would not be complete without the direction and advice of Mr. Mike Auer. With still another production in the works, *The Boyfriend*, this year's cast proved to be very professional and one we should be very proud of. We at Patrick Henry really appreciate the fine quality of entertainment they have given us.

Spirit Week started off with a look of nostalgia with the fifties dress up day, followed by Hawaiian tourist day, Halloween costume day, hat day, and Green and Gold day. Levels of participation in all of Spirit Week were high. Class competition ranged from the jitterbug contest to the infamous Buck Buck. Throughout the week, spirit was building and ultimately exploded into the best Homecoming Patrick Henry has ever had.

# A New Tradition

A new tradition was set this year at Patrick Henry. For the first time, Evening High showed it's spirit by joining in the Homecoming festivities. They elected attendants into the Homecoming Court and built a float. We hope in the years to come they will continue to express their enthusiasm, and participate in the Homecoming activities. Another new tradition was also set this year. Two honored teachers were elected as Teacher attendants. The first two teachers selected were Mr. Anthony Merino and Mrs. Margaret Maple. Future Patriots will continue to observe these new traditions in the Homecoming Activities in the years to follow.

# Homecoming 1979

This year many new activities were incorporated into the Homecoming festivities. There were the door decorating contests, spirit chain, honored teachers and even the night school showed its' spirit with their own attendants and float. Along with these were the traditional activities such as the dress-up days, class competitions, and the Homecoming rally. The enthusiastic crowd was showered at half-time with yellow and gold flowers. The 1979 Homecoming Activities involved more students, faculty and staff than any prior in the 11 year history of Patrick Henry. GREAT JOB–PATS!

Traditional Friday rallies set the mood and pace for many action filled games. Organized by the Varsity Cheersquad, the rallies offer a change of pace and an outburst of enthusiasm quite unlike years past. Care packages and class cheers provided that little extra for football players and spectators alike.

# Competing for Spirit and Pride

Class competition involves a series of activities which attempt to promote spirit and pride within each grade level. The activities range from the delectable marshmallow drop to the torture of the Volkswagon cram. Other events include munch outs, tug of war and the girls favorite the pull apart. There is a high level of participation in these events as each class attempts to outdo the other.

# Patriots of the Year

Linda Rose and Jerry Smith

From the 24 Patriots of the Month, the Faculty Awards Committee selected Linda Rose and Jerry Smith as "Patriots of the Year." Linda was extremely active in a variety of extracurricular activities. She was involved in Student Government, Girl's League, and was the recipient of a Triple E Award in 1980. A new spirit in ASB was brought by Student Body President Jerry Smith. His enthusiasm spread through the campus and resulted in more involvement by a large part of the Student Body. Patrick Henry is proud of these outstanding Patriots.

# Class In Government

President Jerry Smith, Vice President Marlene Scherer

Commissioner of Athletics Gig Gallagher and Darby Logan

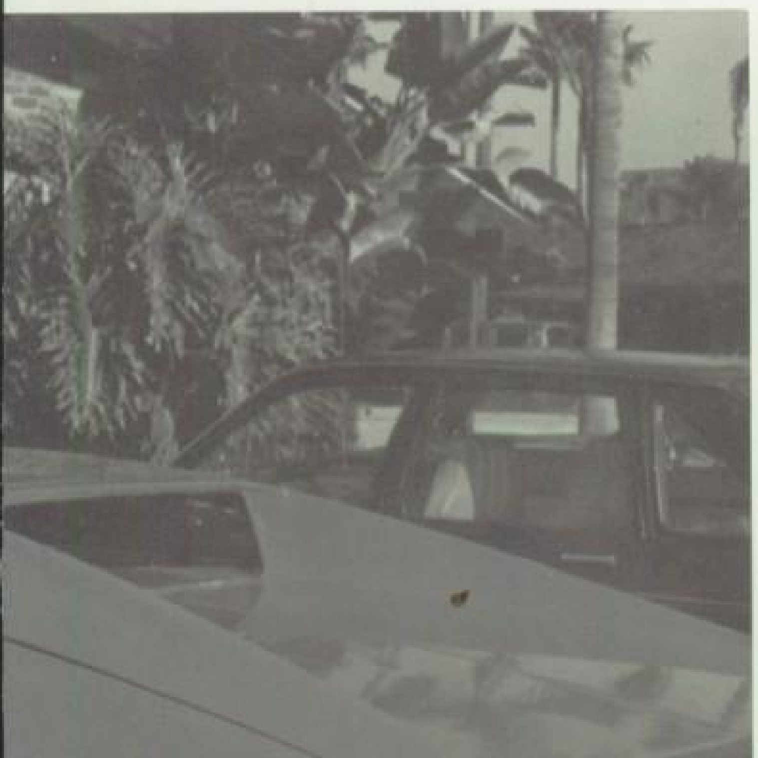

This year the goal of the Associated Student Body was to increase communications with the student body through various extracurricular activities including class competition, dances, and night programs like Dr. Dean. Our efforts were met with an overwhelming response from the students and because of this, Homecoming, Project Pride, and our Spirit Week activities were very successful.

The A.S.B. has tried its hardest to make this year as exciting and enjoyable as possible, and we wish continued good luck to next year's A.S.B.

1979-80 Student Congress

This year's Student Congress met once a month as a means of communication, other than the bulletin. It was our way of letting the students know what was going on around the campus, while allowing them to voice some of their ideas and opinions on the school's happenings. The Student Congress played a large part in the revival of the old homecoming tradition of door decorating, and took part in many decisions concerning the school.

This year's congress was very effective, and we hope that next year's congress will continue the tradition.

This years staff began with a few advantages over past Encounter staffs. While cries of "where's the cropper", and "those were my pictures!" could still be heard echoeing through the room. This year we decided to select two joint editors, Loree Jones and Wendy Johnson. We sent them to camp at UCSD, they came back filled with new ideas for our Yearbook. Our staff is predominately seniors with section editors having previous yearbook experiences. Our goal was to collect and preserve your memories of the 79-80 school year the best and only way possible ... with class.

With business managers Ray Ryman and John Benson, we were able to put out a regular 12 page paper, to the delight of both advisor and staff.

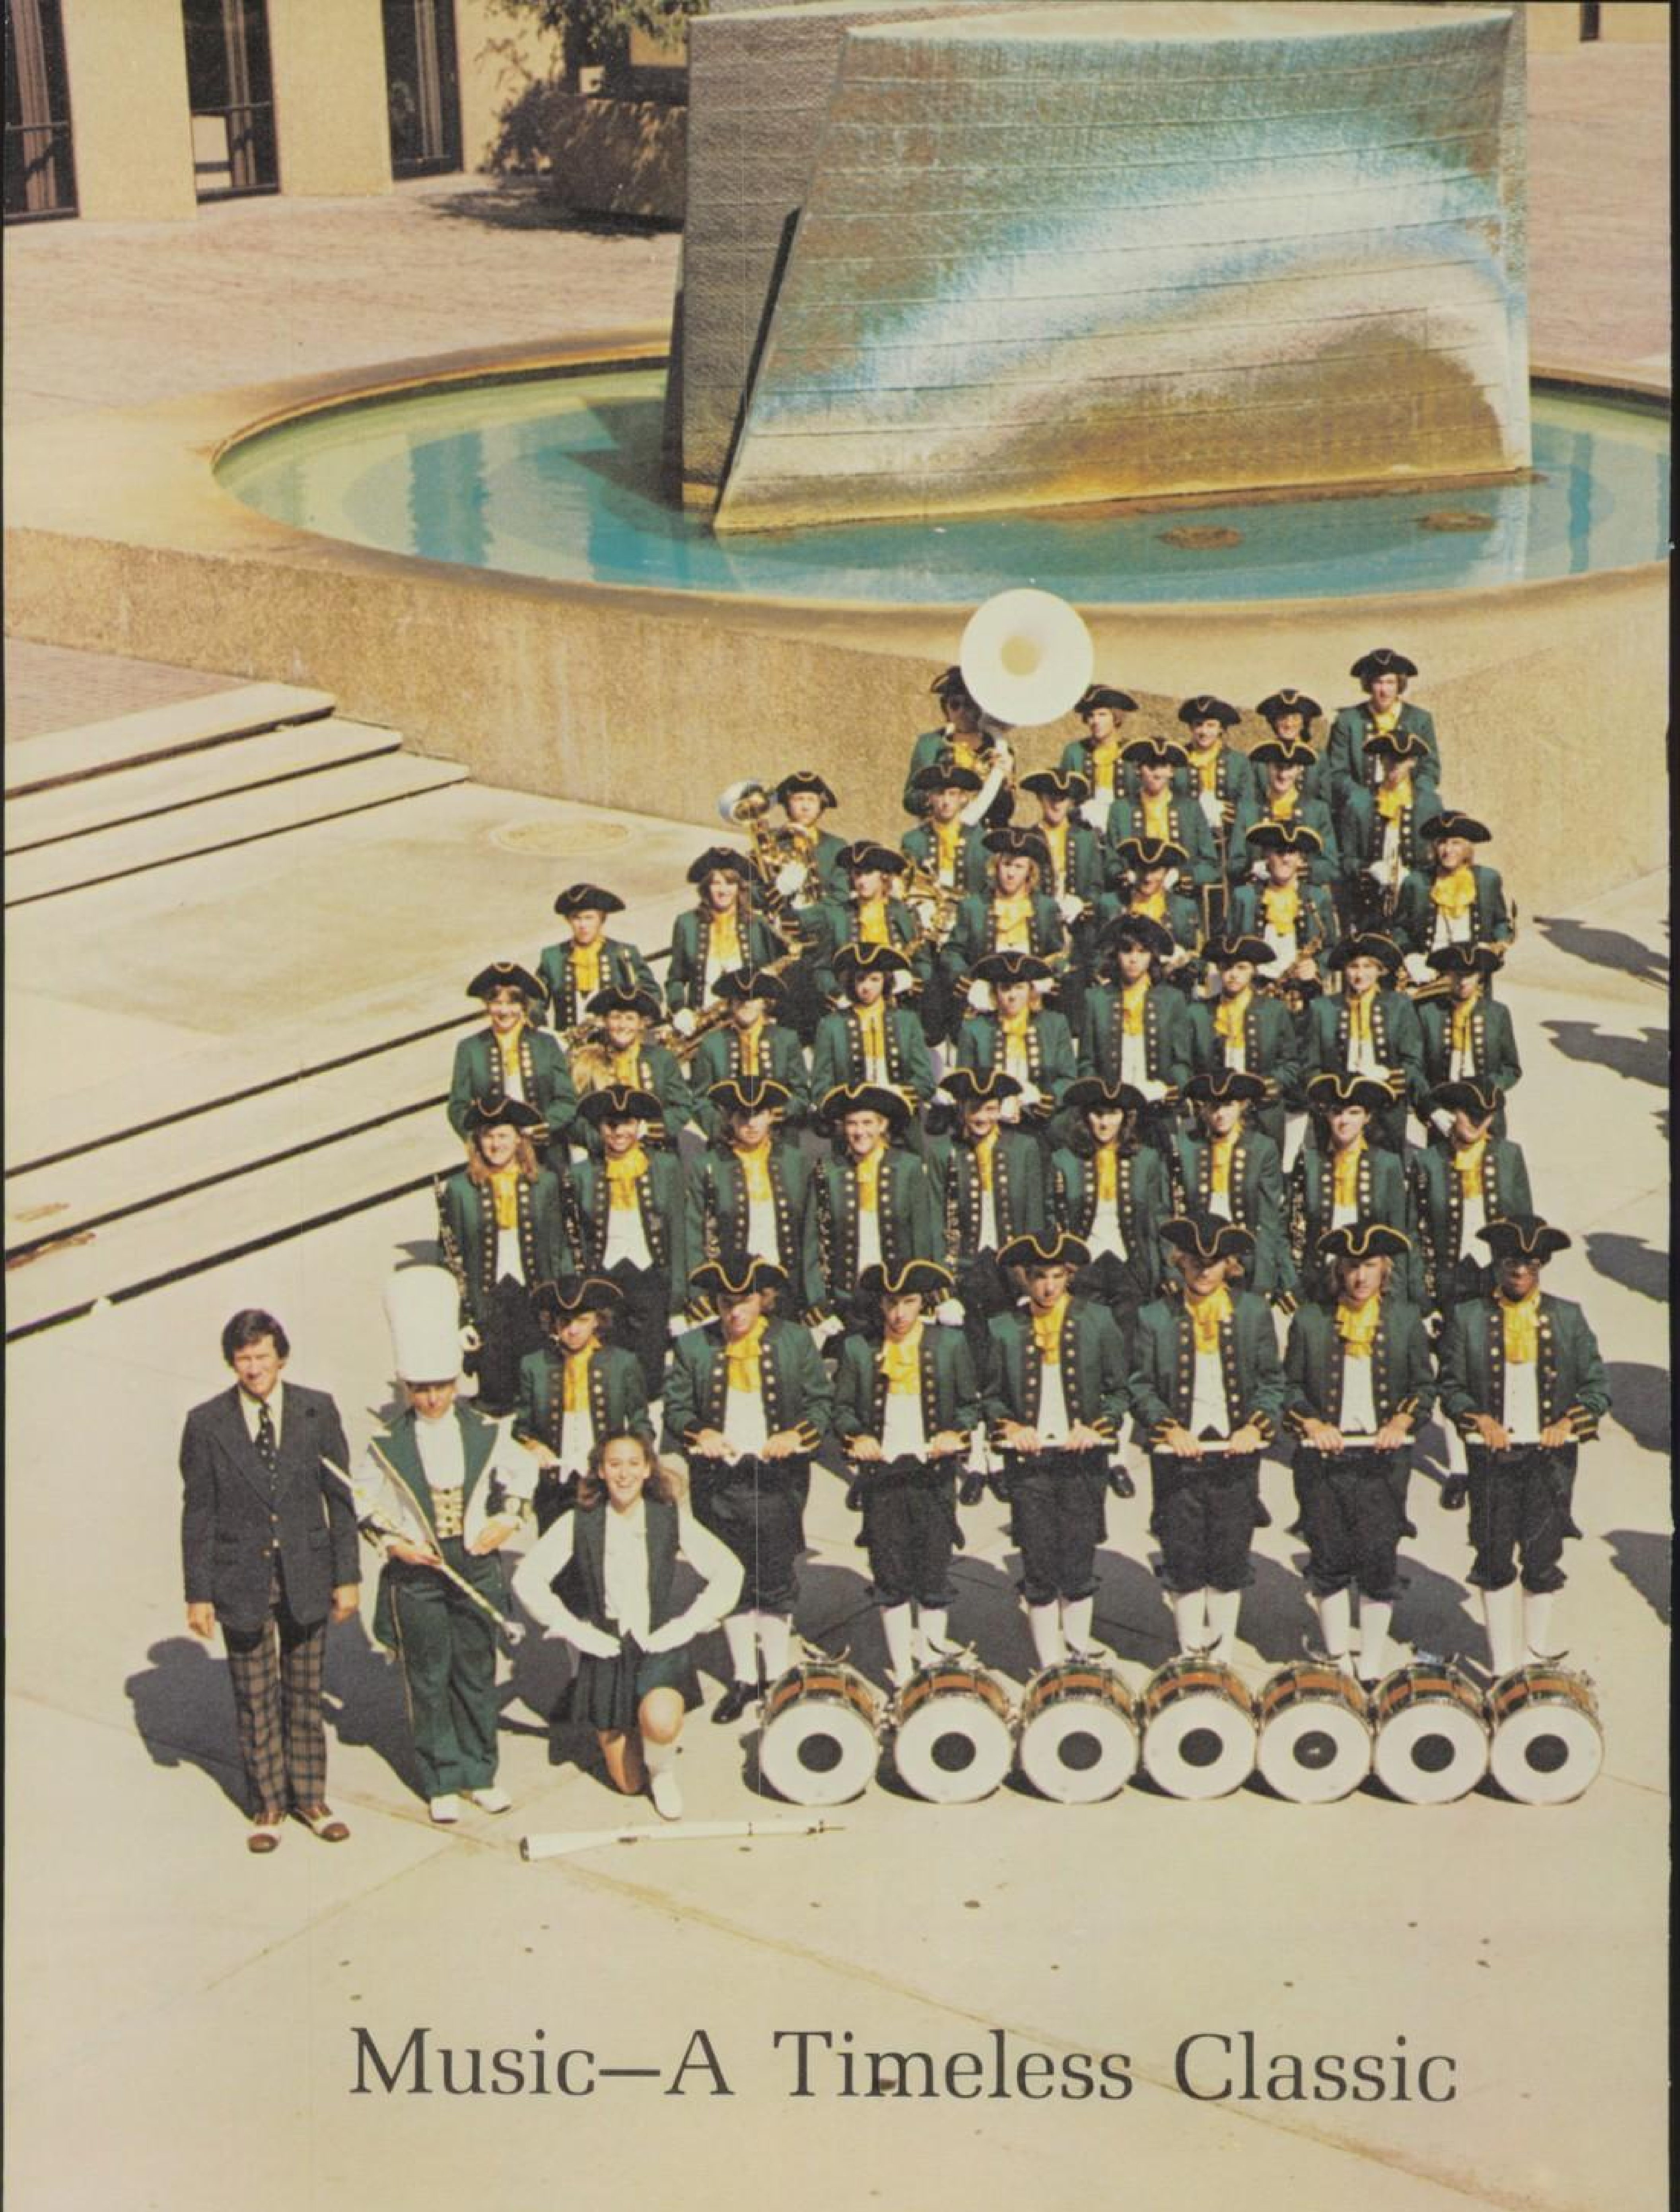

The paper was broken into units: Editorials—the place to speak your mind ... Andrea Carroll Pipeline—under the hand of Captain Fish, alias Brad Graves. Cave—The Rocking Cavewoman, Liz Hendrickson. Sports—still where it's at. With a girl editor, no less ... Kammy Haynes. Thanks to everyone else too.

1979-1980 Dance Production has led to a very exciting year. Mini dance productions at Lewis and Pershing gave them the experience needed for the Henry Audience. Dance completion dates, warm-ups, fund raisers and the beat on the floor kept us going, without the help of their advisor Ms. Sheri Garrett they could have never done it.

# Faculty

Mr. Frank B. Thornton, Principal

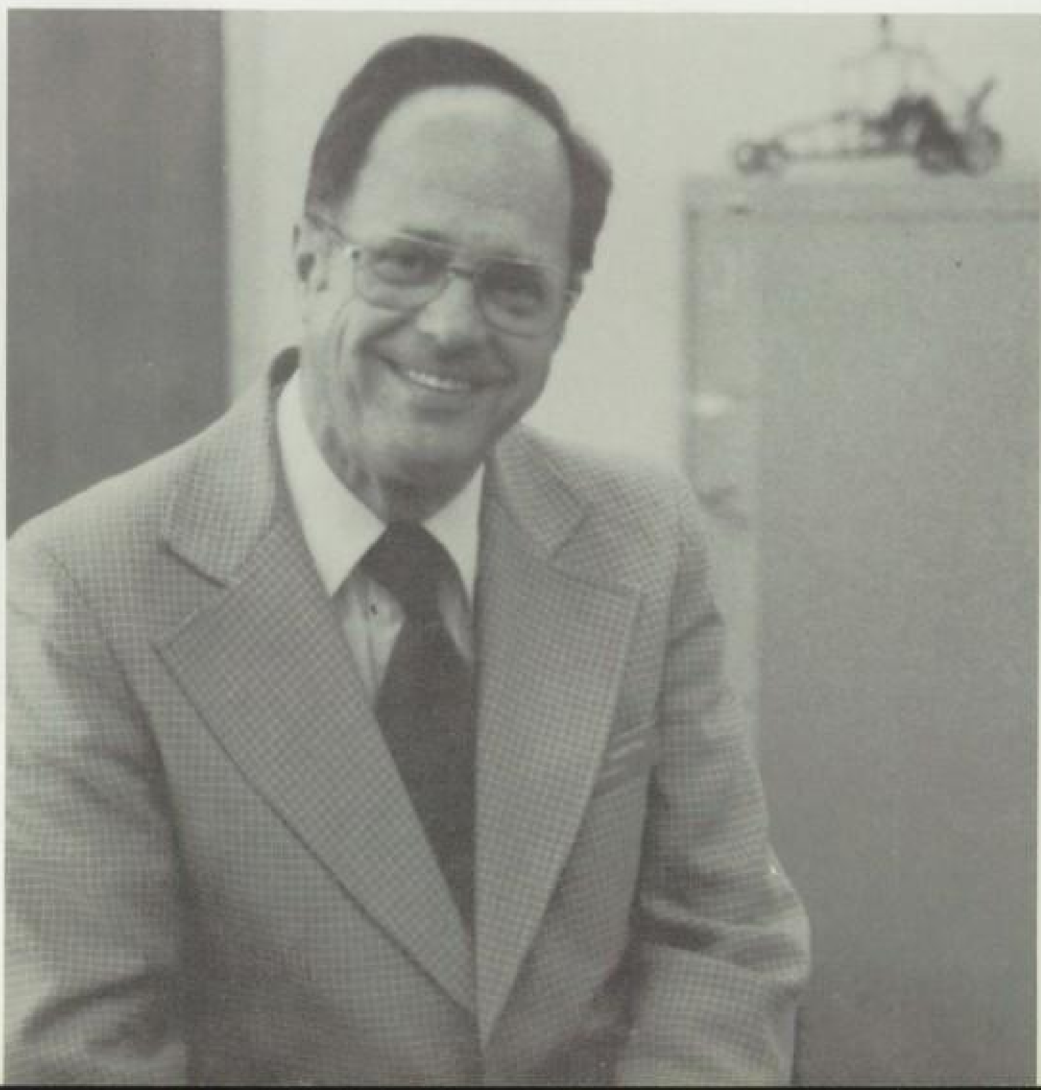

To the Class of 1980:

We are proud of your accomplishments. You have won scholarships and honors and it has been a privilege to work with you. We are grateful, too, for what you have taught us. You have demonstrated that you care for each other and have proved it by your actions.

As you leave us remember that life is a mixture of good and bad, of joy and sorrow, and that the person worthy of respect is he who knows how to handle both.

Good luck and God bless!

ARMSTRONG, *Karen* School use to seem like such a hassle, but its so rewarding once you graduate. I experienced a lot a P.H. I remember P.E. and I got busted first day of school. Got swat team. My favorite class was lunch, but we never seemed to find time to eat. All the assemblies I never attended. The short days and rally schedules. All the parties especially Beth's party when it snowed. All the insane concerts like Kiss, Jethro Tull, California Jam, Van Helen, Yes, Aerosmith, Rick Derringer, Rush, Blue Oyster Cult, UFO, Pat Travers, and Tom Petty. Thanks for caring B.G. I love you. I'll never forget Mr. Marino, Mr. Fackrell or Roache the coach. B.D., D.M. and D.T., are all special. We had 3 good years of trying to beat the school system. Now it doesn't matter anymore. Thanks P.H.

Going to the prom. Listening to DF tell her stories about what happened to her over the weekend. Playing basketball at the rec with SK who never could win at anything. CONSTANTINO, *Mark*

COX, *Gregory*

COX, *Harold* It was fun while it lasted. All three years were great besides a few exceptions, especially Ralph. Tenth grade was the grade level of meeting everyone, wharing with people and trying to get to eleventh grade. Eleventh grade was fun except all of the homework in Stern's class. That year I wrote 275 pages and my writing hand still hurts. Eleventh grade was also good because of Tasha's parties. It was fun being a bouncer for four times. All of the drunken fights at the parties put some life in it all. It was fun being the only one sober at the party. Also I got my car that year. Mustang's still rule. Twelfth grade was another good year. I met a lot of new friends. Don't worry JK I won't forget you. Tracey C it was nice meeting such a foxy chick. If you want to get a hold of me ask Mary for my number. Remember about the movie "Scavanger Hunt" I still have to take you. The beginning of the year was a bummer when I got hit. Tracey have a good time in high school. Mary Didio it was fun taking you to school. (Just kidding). ((not really)). Remember when we went to see the "Scavenger Hunt", that was the first time you ever went anywhere with us. Have fun in school and don't blow it in drill team. Joel G: Both of us are old time winners on the radio and I will never forget that. You finally won a hundred bucks compared to the fourteen hundred that I have won so far. I am still winning and you will never catch up to me. Have fun with the computers you computer nuts. It was fun meeting you Bev and I hope to get to know you better in the years to come. It was nice knowing everyone. Goodbye ya'all.

DAWSON, *Kevin* My God, has it been three years already? It seems more like five. Looking back like this means recalling past achievements. I gained 28 pounds since 10th grade. That's about it for me. It just occurred to me that I remember nothing from 10th grade except that somewhere I acquired the name 'Candyman'! I wonder why? That was a rough time for me (Hell, getting out of bed is a rough time for me). Suddenly you realize that your 'Wonder Years' are behind you. What am I saying? I'll be in puberty 'til I'm forty. My voice still hasn't changed all the way. 11th grade is clearer in my mind. Getting kicked out of my english class (I owe that to D.K. and will be eternally grateful). Suffering thru drivers training (my teacher not me). Stukie Toons, and I can't help feeling a little guilty that my math teacher, after a semester of me in his class, decided to become a tree surgeon. I'll remember 12th grade for the surprising success of Mr. Bill Inc. At this present writing A.F. owes me $71.00 and I can't get the smell of playdoh off my hands. But things are bound to get better for me (they can't get worse). G.T., K.B., M.H., L.C., R.B., J.L., P.H., J.D., M.F., J.G., C.S., and others who I forget are to be commended on their ability to put up with my cute little one-liners. Well, Good Bye, Patrick Henry. I know you'll miss me (you know, like cramps). The song "So Long, Dearie" from "Hello Dolly"! Best Sums up the way I feel about leaving. If you're nice to me I'll sing it at the graduation ceremony . . .

DUBOSE, *Jonathon*

DUBOSE, *Robbie* Hi and Bye all I want to say is it's been good for some time now. 9th grade was when I was constantly doing dumb crazy schemes to get back at people. In 10th grade I had a new awareness to look at, books and more books (smile). 11th grade is when I found out what a true friendship is and what it really meant to spend $25.00 on gas, for your car also. I found out who was Prince, soft and wet. In the 12th grade I fell in love with singer only especially Prince "just look at him I am still waiting" I went to the Jackson's concert in San Diego which they haven't had since I was 10 or 11. Which knocked me off the wall. In 12th grade I feel that I finally growed up. Now I am completely crazy over singers. But I would like to thank my mother and father for constant encouragement to keep going on. No matter how tired I was. Love brother and sister. And also to the person who never knew I liked him very much and if he did he never let me know A.S. Maybe someday. Oh yes I will make it in this society or die trying. Good-bye PHHS.

GROTH, *Scott*

GROTHKE, *Melva*

GRUNDY, *Cecelia*

GUSITOSI, *Marie* All through my 3 yrs. at P.H. I wrote down things I wanted in my write up. But when it came down to writing the final copy, I realized that it wasn't the events that were special, it was my friends. And so instead of writing about events, I want to dedicate the following to those friends: "I need to say these things 'cause I love you so, and I'm sorry you get angry when I say that you just don't know. But there's a heaven waiting for you and me. I know it seems everytime we talk I'm only trying to make you see. And its only that I care, I really only want just to see you there. Please try and overlook my human side. I know I'm such a bad example and I'm so full of pride. But Jesus isn't like that. He's perfect all the way. I guess that's why we need Him, by ourselves there's just no way. And it's only that I care, I really only want just to see you there." Special love to: Cheryl, Suzy, Craig, George, Cindy, Marlene, Gig, Mike, Chris, Susan, Pam, Lynn, Libby, Gina, Jon, Bill, Benny, Derek, Gregg, Randy, Alexa, Eric, Cindy, Susanne R, Susanne M, Lisa, Brian, Jerry and Annie (Lee Steven and Mary K) Thanks Dad, Mom, Ann, and Cina. You two don't know how much you mean to me. Cliff—I'll never let you forget that a lot is my favorite number 'cause it's still more fun than the Meterhorn. I lurve you, I luff you all. UNDERWOOD, *Carol* My years at Henry weren't the greatest but they weren't the worst either. As a sophmore I didn't have any fun. As a junior I had lots of fun outside of school. Now that I'm a senior school has been great. CB, BP, FJ, JL, RJ, we had some good times at parties. I'm glad we became friends. I'm glad I made DT or I might not have met you all. GS the quote was the way I felt at the time, don't take it personal. I still mean it even though we are just good friends. Thanks for the good times. You're a great guy! Too bad you moved. RN, SU, JS thanks for all your help when I needed it. You're great friends! Well RN we have been super close for the past 2½ years. Now you are moving and we won't be as close physically but you can bet we will be mentally! We went through some rough times but we always managed to get through it all. I love you deeply and I always will no matter what happens. You're the greatest friend in the whole world. CB thanks for your advice and support when I needed it. SU we are sisters but I feel closer to you than any other person other than RN. We will always be close! Thanks for your support in the past. You are a true friend! We will eventually move out to the beach together. FRIENDS 4ever! CB, BP, FJ, PO, DS, GL, CP, and Paulette keep in touch after we are out of Henry. OK? Good bye Henry it has been fun. I don't regret a thing. BYE!

The people I hung around with at lunch the first part of school were a few guys Dave Trubie, Jay Stangle, Mike Nookes, Wally and Glen Godwin. Then I wanted to go work in the cafe? But couldn't then I saw Cathy Fedak and her friends so I ended up eating with them. Before "I knew it" the year was over and I had my driver lic. WRIGHT, Ernie Couldn't wait to come to PHHS. Once I got here everything went great. Varsity F-ball with a huge team, people like BT, GM, EP, & BG. I was the smallest on the team. People like JS, BW, MF, JW, & MP made every practice fun. Grades were ok. Then in 11th things weren't as good. I was still going with MG, only one year! I then met a crazy Hawaiian that came from Oakland. LD & I became close friends. F-ball season was good but I didn't do what I wanted to do. Then in last game of season I hurt my knee and started out B-ball season bad. I started sitting the bench. Me and KS, & JS had fun though. T-on 12th came—Alot of recognition. It was better then 10th. F-ball was great people like SM, DS, CJ, LK, DF, RW, GG, TR, PD, GW, CW, MS, JD, LD, DB, SP, CK, SK, BM, JS, DW, & TS made football fun. We all knew we were the best team in the county. Being in the paper, on T.V. and even being Home coming king, was a dream. It wouldn't have happened with out the people on the team and a great student body. I owe everyone of you something! Lots of fun in Bkb lit. w/Michele Hall, Joy, etc. Thanx M.H. for your friendship. Good luck w/L.D! Then B-ball with people like JS, SB, BW, MP, BW, MF, JZ, BE, SD, TD, RJ, MN, LT, & AJ. P.H.H.S. is number one! Good luck LG with OG or whoever it might be. I love you Maricela. Bye P.H., I will always remember and love the years spent here.

WRIGHT, Joseph Well here it all is in black & white. Most people said that I would never make it this far, but I fooled them all. COLD Ken will still be here and Marvin Hines good luck fellows. Thanx Mr. Bernd and Coach T & Coach B. I will never forget the day HC, the fellows, & me sipped on 151, and HC stumbled in to class. Wrestling was great all three years. Beach parties were real radical and some days in Mr. Willson's class. Mr. D's shop was hot! Mr. B's auto shop was darn good, taught me a lot. Hated getting caught by cops for driving my '80 Chevy Nova w/o a license. I will never forget Shawn K. or Jeff Fox playing racketball and SK losing and chipping his tooth. Wrestling was very hard trying to keep up or down weight—what a breeze beating RP & SM, and always getting half sleeves on Greg Rice. Guzzling B's & B's was very radical. Summer was excellent meeting BM, but JB got in our way. We kept cooking and hoped we will always be cooking together.

WRIGHT, Kelly 11th grade—had a great time at Tastees with BW, TN, BT, & DB. TS now TK, has also made last year a big ball of fun and memories. Had fun at lunch w/LK at high times. Let's get some B's and go to the beach, LK, JG, TS, KD, & TS. Remember Kirt, traci? Too bad for all the BS that went on with all of us. We must forget the bad times and remember the good. We took this year as a big bluff! We all goofed off but here we are—SENIORS! 12th grade—This year we couldn't meet too much at Tastees, but still had fun. Had fun at the snow parties with BT, TM, BW, DB, & DV. BW also gave me a few good flakes! It was fun having the big countdown for us early grads—BT, TN DB, SS, DW, TS, SP, JB, & DP. Got alot ahead of us! Will always remember the cutie T.A., Jimmy! KB has been such a sweetie—hope we last forever! Had fun at lunch at BW's cause we had lots of fun gossip to trade and also at KB's, cause we had lots to show and tell! Cullpepper's parking lot was a big laugh especially the bypassing cars! Our grad-party will be the best! Good luck everyone, and BOY, AM I GLAD TO BE OUT! I learned alot at P.H.H.S. on how to be a good Kelhole, Ross' class with Jackie's juicy gossip was fun! Thanks for everything Mr. Bernd. P.H.H.S. K.M.A.!!

WRIGHT, Susan It's okay Debi we won't die, you stay off curbs and I won't cut in front of people. Nick Nolte, Martin "Loose woman", Period 6 accounting, Chris, Tasha, and there's Angla always talking back to Mr. E, but giving in. Wally Walrus. Noisiest but best dance. Disco Marino, DB, Zipper shorts, all those Ron Goldy fans #7K Craig H. strange but nice. 4 hours to get to ranch 15 minutes away. You'll go Debi. Bobby,

Last year I found a good and crazy friend. Ceramics was great, we hardly did any work, mainly we talked dirty. This year we didn't get stuck in any classes together and I'm bummed, cuz this year went by too slow. Your a sweetie and I'm glad we're buddy's. Your a great person to party with and we gotta stay in touch this Summer. Take it easy, But take it all!.
